The series incorporates career-specific vocabulary and contexts into lessons that built students' working knowledge of English. Each unit offers step-by-step instruction that immerses students in four language components: reading, listening, speaking and writing

The series is organized into three levels of difficulty and offers over 400 vocabulary terms and phrases. Every unit includes a test of reading comprehension, vocabulary, and listening skills, and leads students through written and oral production.

#### Key Features:

- A variety of realistic reading passages
- Career-specific dialogues
- 45 reading and listening comprehension checks
- Over 400 vocabulary terms and phrases
- Guided speaking and writing exercises
- Complete glossary of terms and phrases
- Written in American English
- The Teacher's book contains a full answer key and audio scripts.
